## MYSTERY SHOPPING SCAM MIS-USING NAME OF LOCAL COMPANY

As families feel the weight of the economy, more people are apt to try to make a bit extra on the side. Unfortunately, the BBB is reporting that scammers jump at the opportunity to take advantage.

Ober Gatlinburg Marketing Research states your starting salary will be \$500 and will increase to \$580 a week after 3 months working with them. There is a check, made out to you for 3,797.00!!

Your first "assignment" is to shop and spend \$100 at Wal-Mart, K-Mart, Home Depot, or any retail store then complete section A.

Your second "assignment" is to evaluate Western Union by transferring \$2,997 to the other Mystery Shopper for Western Union in London, England. The rest is yours to keep. Anyone receiving this would think **Ober Gatlinburg** is a well-known company, and the check and paperwork seems legitimate. Unfortunately, this check will be returned, it is counterfeit. The BBB also noted that the name of the company on the check is misspelled ( Ober Gatlingurg, Inc.)

**Ober Gatlinburg has no association with these mailings.** Representatives are aware of the scam and are investigating to find the source of the fraudulent checks.

"These scammers have, in essence, hijacked the identity of a legitimate company," said Jerry Tipton President/CEO of the Knoxville BBB. It's a huge "red flag" that the scam company is requiring its customers to wire money.

The Knoxville BBB has received numerous inquiries & complaints, against scam company's sending out these fraudulent checks. As the economy grows more desperate, and consumers become eager to supplement their incomes, the BBB believes it will receive many more complaints.

For further inquiries or more information on counterfeit check scams, please contact the Knoxville BBB at [www.knoxville.bbb.org](http://www.knoxville.bbb.org) or (865) 692-1600
